# FOREWORD

Part of us will always be here at Dougherty. With graduation, all the joys and pains known at this school will not dissipate into thin air, but, they will remain with us to linger on as the remembrances of a great four years. These times will hopefully be kept alive within this book's bindings. All the activities unfortunately cannot be pictured, and some students efforts will of course be overlooked. However, we on the staff have tried to condense such achievements as well as possible in 256 pages. Just succeeding in even a small amount would be gratitude enough for our efforts.

The 1970 SIGNET is due mainly through the work of a few. My co-editor Jeff Osinski is to be thanked for the unbelievable amount of work and time that he dedicated to the yearbook's production. Our assistant editors Matthew Georger and James Horung should also receive my gratitude. They were always ready to help when needed. Our advisor, Fr. John Howard gave us a free hand in most matters, and his trust was reassuring. Others often gave us a needed lift and are to be thanked for this help. This book means a great deal to me and I will never forget having the opportunity to work on it. I only hope that this years SIGNET succeeds in its purpose.

# DEDICATION

**Fr. Louis Levesque, C.J.M.**

**Fr. Balbo Bianchine, C.J.M.**

**Fr. Aurele Godbout, C.J.M.**

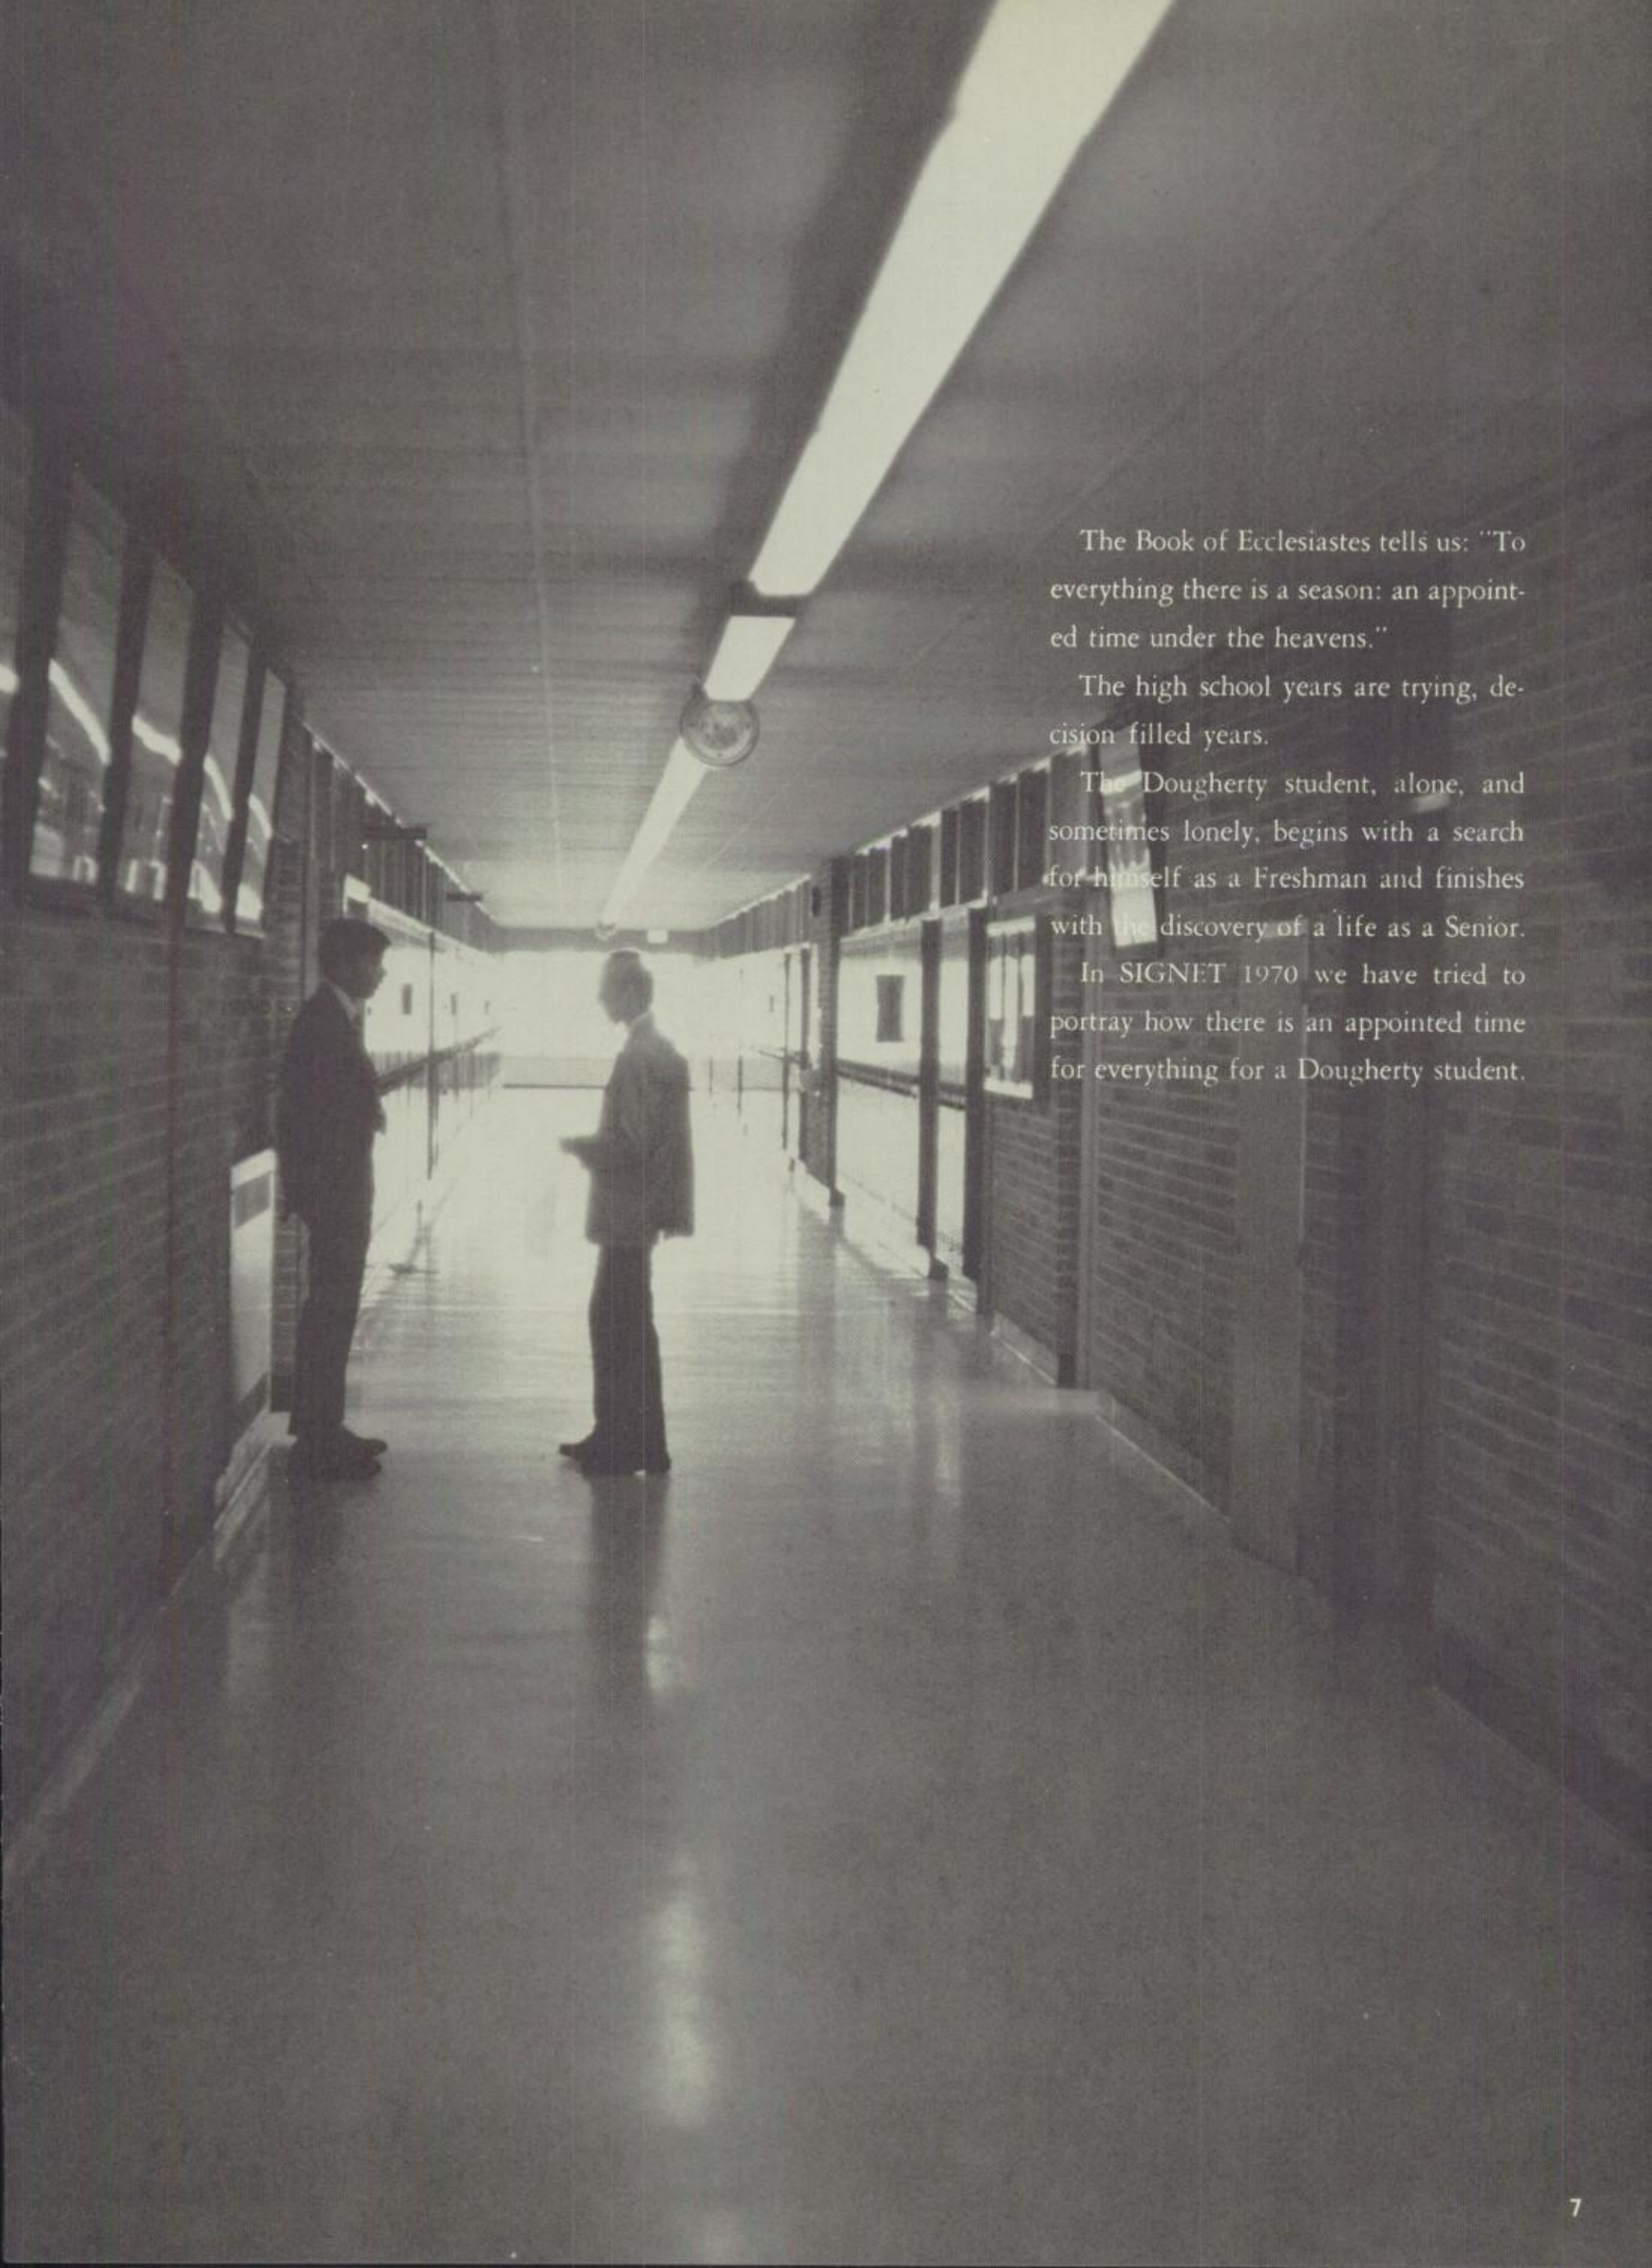

## DEDICATION

The Cardinal Dougherty yearbook, the SIGNET, has always been a forerunner in singling out the achievements of men, especially those who have worked toward the betterment of Cardinal Dougherty High School. The three men in this year's dedication have compiled such a record. Father Louis Leveque, for many years the yearbook advisor and one of the school's founders; Father Balbo Bianchini, long a teacher and now Assistant Principal; Father Aurele Godbout, first a teacher, then Guidance Counselor, and presently Eudist superior at Dougherty and a member of the Eudist Provincial Council.

The SIGNET can offer no greater honor than the dedication of this 1970 book. Our thanks to these men for their assistance will long be remembered.

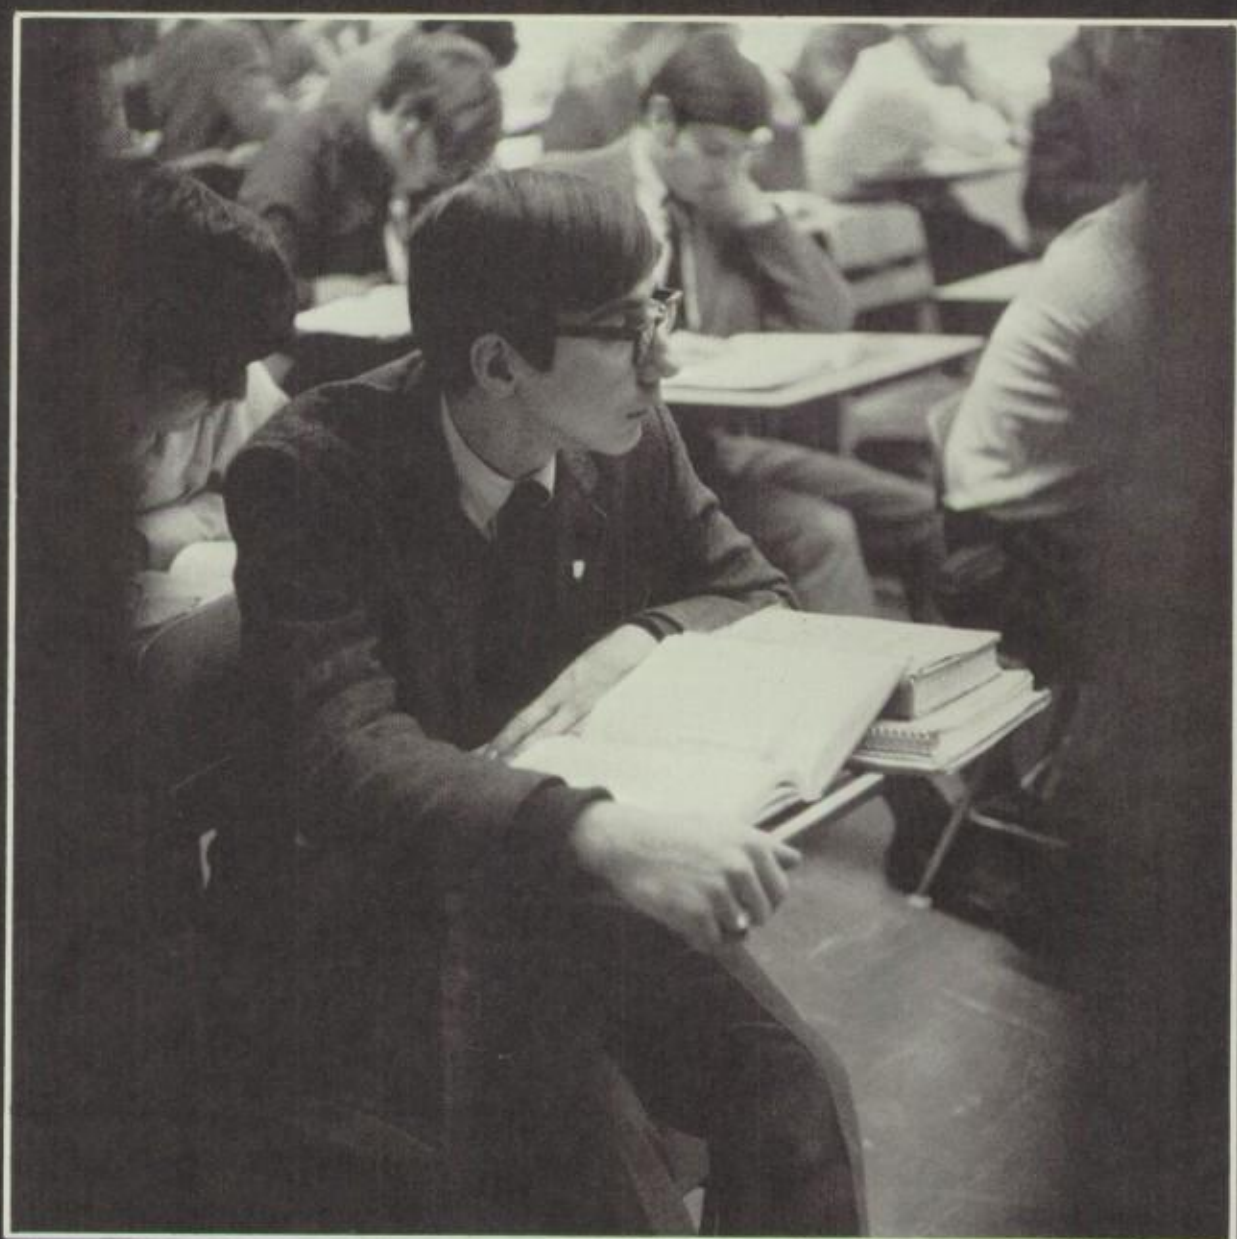

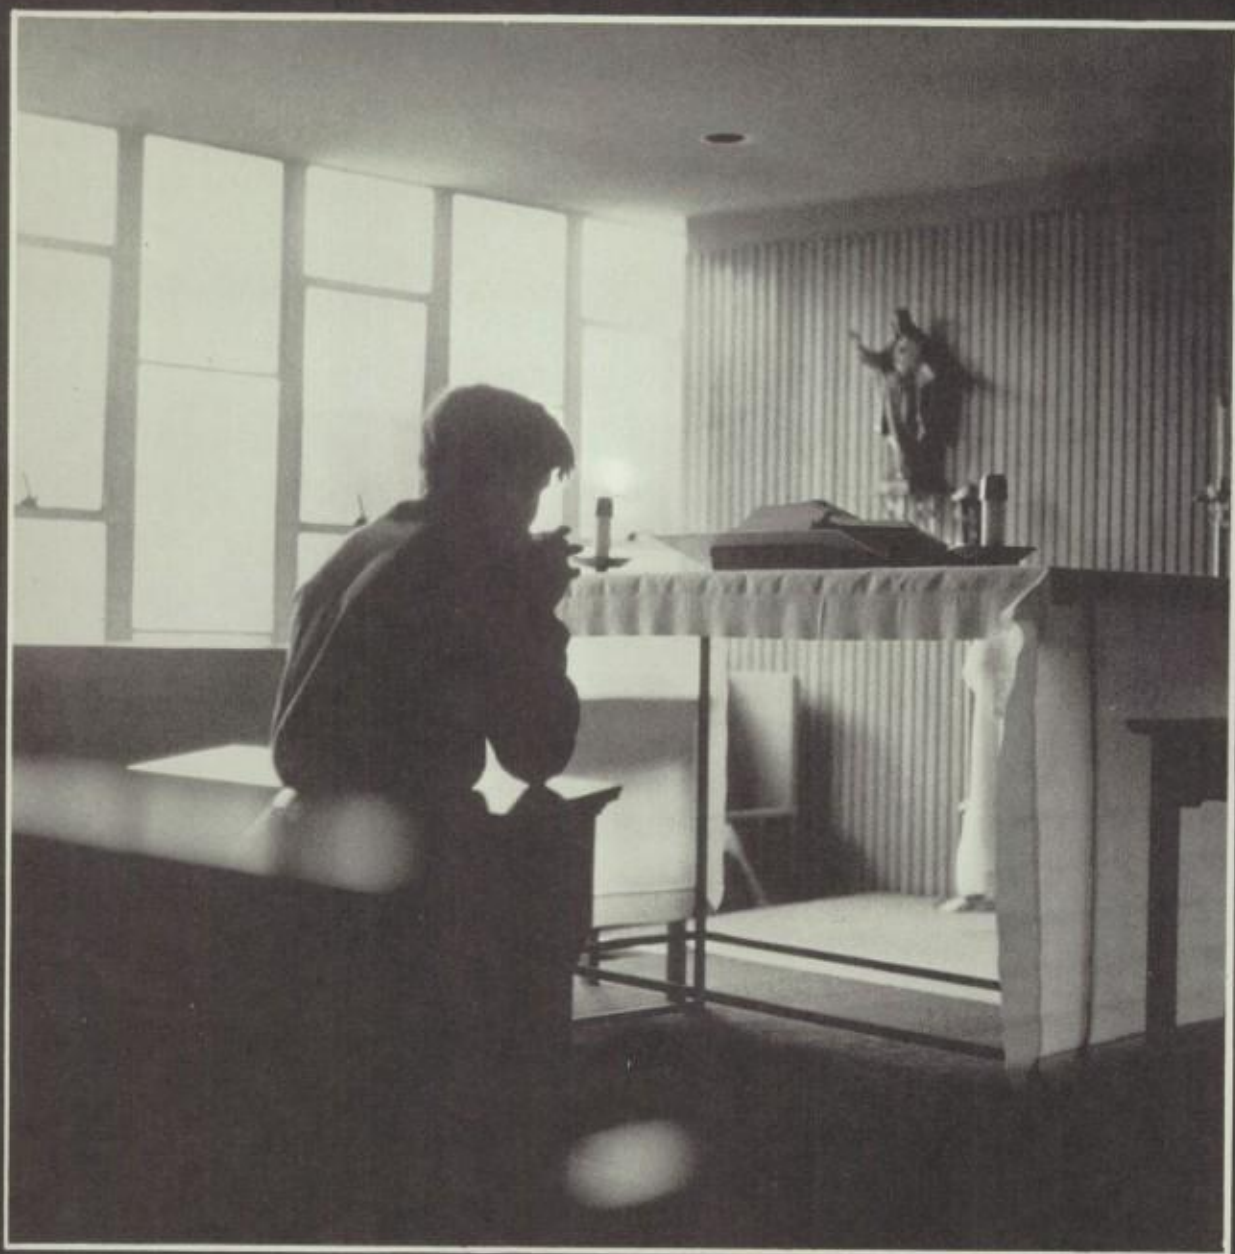

The Book of Ecclesiastes tells us: "To everything there is a season: an appointed time under the heavens."

The high school years are trying, decision filled years.

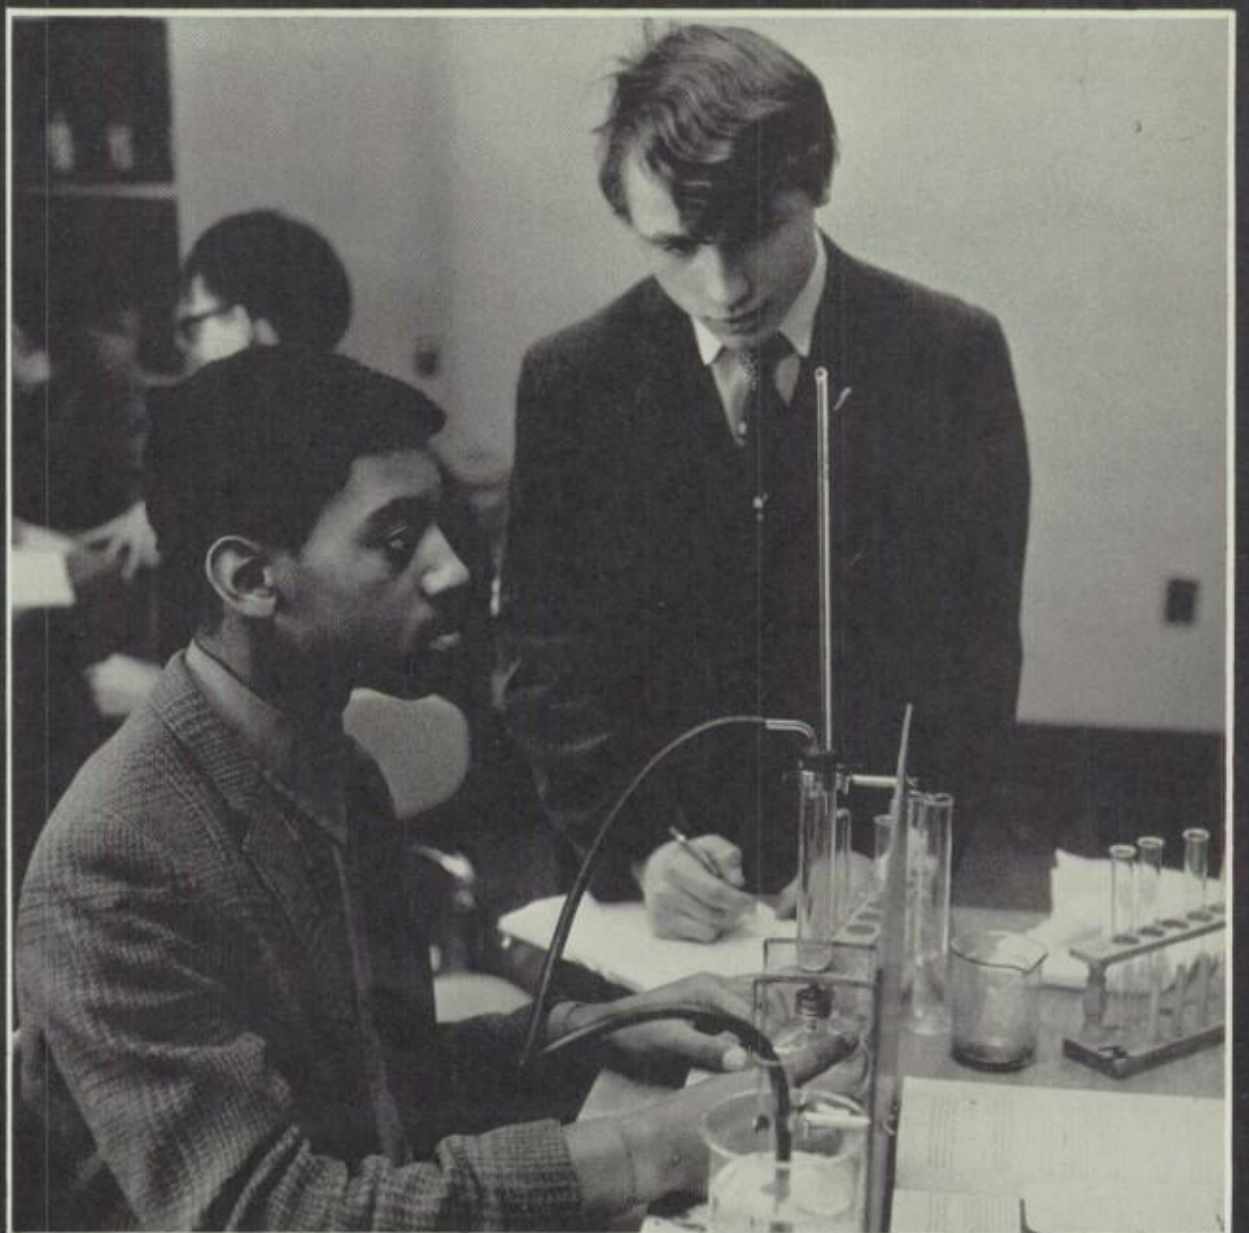

The Dougherty student, alone, and sometimes lonely, begins with a search for himself as a Freshman and finishes with the discovery of a life as a Senior.

In SIGNET 1970 we have tried to portray how there is an appointed time for everything for a Dougherty student.

This year, a raffle was organized for the purpose of raising money to be offered to incoming freshmen. Honor Society sponsored, the raffle soon turned to the hands of a few, who organized the above committee, the Cardinal Fund. Hopefully, their example will set a precedent that future years classes will follow, that is, to hold an annual raffle to assist the future students of Dougherty.

Fr. Chiasson presents a certificate to Mike Mooney as Jeff Osinski (L) and Jim Hornung (R) look on.

The Outstanding Americans Foundation announced that Michael Mooney, Jeff Osinski, and James Hornung have been selected as Outstanding Teenagers of America for 1970.

The students, nominated for this honor by their school, will compete for state and national awards in the Outstanding Teenagers program.

The recipients of the honor were selected on

the basis of ability and achievement. They will compete with other winners in their state for the Governor's Trophy awarded annually to the most outstanding teenager in each state. Each of the fifty state winners will be eligible for one of the two National Outstanding Teenagers of America awards and college scholarships, made available by the Foundation.

Last year, a strong Dougherty team advanced to the playoffs only to lose a close but exciting contest. The results of this year's team are not available at publication. The hopes lie in the hands of John Kelly, Thomas P. Regan, and David Bonar; their positions are capably backed up by alternates Richard Poreda, Jeffrey Osinski, and Albert Tomaselli. ### A TIME TO PROVE YOU ARE A MAN

Many times during a young man's life, he must prove to himself and the world that he is a man. Many choose the field of sports to help them prove it. Ray Hawker's look of determination clearly exemplifies the emotions that a young man who proves he is a full grown man feels.
